PETITION TO WITHDRAWN HOLDING OF ABANDONMENT BASED ON
FAILURE TO RECEIVE OFFICE COMMUNICATION

Sir:

This Petition is submitted in response to a Cover Letter For Resending Correspondence that was mailed on January 25, 2002 (Attached as Appendix A). In the Notice, it is stated that a courtesy copy of the Notice To File Missing Parts dated October 9, 2001 is enclosed. I personally had not received the Notice to File Missing Parts dated October 9, 2001, nor did I have any personal knowledge to the effect that any persons in my office received such Notice to File Missing Parts.

In response to the Cover Letter for Resending Correspondence, I personally performed a review of the corresponding docket record (attached hereto as Appendix B) to determine if an Notice to File Missing Parts was in fact received on or around October 9, 2001. I further reviewed the docket record to determine whether some

response on this Application was due on a date, that was some one, two, or three month multiple on or around October 9, 2001. (This review showed that no received communication was received as noted on the docket record.) I further searched the contents of the docket file and again found no copy or reference to a Notice to File Missing Parts on or around October 9, 2001.

I then performed a search on our computerized docketing system to determine if any such Notice to File Missing Parts or required response was noted (copy of computerized docket record for docket number PHFR 000090, corresponding to U.S. Patent Application No. 09/942,017 is attached hereto in Appendix C). I discovered no notation indicating that such Office letter or response was noted received or due for this Application.

Upon receipt of the Cover Letter For Resending Correspondence dated January 25, 2002 I promptly and diligently prepared this petition. The executed Declaration and a copy of the Notice accompany this petition. Accordingly, applicants believe that no extension of time is required.

The Applicants have made a diligent and sincere effort to clearly set out the facts and circumstances surrounding this matter and firmly believe that a sufficient showing is made thereby for an immediate allowance of this Petition and notice to this effect is earnestly solicited.

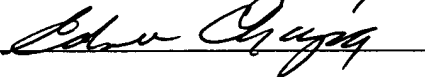

Respectfully submitted,
